

Volunteer of the Year

Mike Mowat-Despite not having a child in minor hockey, Mike was a very inspiring assistant coach for our U18 players and taught them so much. Mike has many years of experience and always supports the coach/bench staff of the team. Mike does whatever is asked of him, including evaluating the competitive players and the cross ice players.

He was also first to volunteer to supervise the U18 recreational playoff games hosted by Oceanside this past season.

Merit Award

Willem Whitehead-Willem has always displayed a mature, intelligent and helping nature at games, practices and on road trips when the team went to tournaments. He is always supportive of his teammates and the team's goals. Willem is always focused on playing his best game and cheering on his mates from the bench. In fundraising activities, Willem always pulled his weight and encouraged everyone to do the same.

Leadership Award

Mason Baynes-Mason is a very mature individual and was well liked and looked up to by his teammates. The coaching staff always sent Mason to clarify any referee interpretations because they knew he would be respectful, thoughtful and always act in a calm manner. Mason was always supportive of his teammates and earned every player's respect on the hockey club. Mason rarely took a penalty but was always very intense in his efforts to do his role the best he knew how.
